Measure, Appointment or Topic: SB806

Legislators, please vote YES on this bill and any bill that supports our military men and women, our veterans, and their spouses. providing and making easier avenues for military members/veterans success helps with decreasing stress on them and their families, decreases the chances of suicide and substance abuse, and decreases the chances of divorce. Let's give back to these men and women of our military who have given up so much for their communities and country. Let's make life a lot cheaper, more beneficial, and stress free on these folks. Thank you.

Sincerely,
Chad Kernutt
