

Submitter: John Bokman
On Behalf Of: People's Co-op Farmer's Market
Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water
Measure, Appointment or Topic: HB2979

Farmer's Markets need all the help they can get! Allowing access to real food in these difficult times is critical for health and well-being of everyone - especially those who suffer from malnutrition. It is therefore imperative that the government does all it can to help people eat well. And that includes the people who raise the food we eat!
