Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB747

My name is Erik Fisher. I am writing in opposition to SB 747. I am a 5th generational farmer. With that being said I feel this bill is just another attack and way to regulate the agricultural community in the state. With the high price of fertilizer and ever shrinking margins in agriculture with todays economy there is no room for over applying fertilizer.

Thanks

Erik
