Committee: House Committee On Rules
Measure, Appointment or Topic: HB3386

I OPPOSE [HB 3386].

In Oregon, there will always be at least one Deputy County Clerk who might get "tanked-up" via a host of innocents before conducting the blessed event.

The aforementioned fact pattern will inject a small crack in a specific legal procedure to wit an enterprising Plaintiff's Attorney might use in a future divorce proceeding if and when the marriage hits the rocks. (Was the marriage legal due to mental incapacities of the Public Official?)

Further, the Fee structures are burdensome and oppressive.

Marriages conducted beyond the Clerk's Office and or in the wilderness invites a myriad of potential liabilities.
