

Submitter: Linda Apperson

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water

Measure, Appointment or Topic: HB3173

Oregon Flora at OSU is already providing valuable resources for identifying plants native to Oregon in order to protect, cultivate and support a healthy ecosystem in the state. Our economy depends on botanical resources and the data that Oregon Flora provides helps keep those resources strong. Please support this bill.
