

Submitter: Janice Asher

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3143

Dear House Members:

I am writing you to ask for your support on HB 3143 Living with Beavers. The Beavers enhance wetlands and support our entire natural ecosystem. They also restore riparian corridors. Recent studies have shown how valuable Beavers natural building structures help nature's ecosystem. The grant program is designed to encourage coexistence with our native beavers and the local communities where they live. We need this to stop the unnecessary killing of our state animal the Beaver.
