Measure, Appointment or Topic: SB864

SB 864 would set the bonding requirement for applicants for a landscape contracting business license or licensed landscape contracting businesses at \$20,000 if the applicant or licensed landscape contracting business charges \$100,000 or less for landscape jobs that the applicant or licensed landscape contracting business undertakes regularly and at \$50,000 if the applicant or licensed landscape contracting business charges more than \$100,000 for any landscape job. This is blatant administrative over-reach and must be stopped. Governmental intervention in the economic system is anathema to the American way of freedom and prosperity. Oppose.
