

Submitter: Gary Griffin

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2557

I would like to express my opposition to the possibility of farming octopus in Oregon. I don't think we have a very solid grasp on just how intelligent these creatures are and while farming chimpanzees or dolphins sounds really absurd I am not so sure that farming octopus would be much different.

Thank you for your consideration.

Gary W. Griffin
