I'm Geo. Ann Foster Baker, enrolled Klamath Tribes daughter of George and Anna May Foster. My grandmother Clara Foster disappeared about 80 years ago leaving behind 5 boys and 1 girl who was 1 year old, they were all sent to boarding schools. No information or investigation to find.

Lawrence David was strangled to death while detained in the Klamath County jail by a fellow inmate in November almost 15 years ago. It took 12 hours for medical aid to be dispatched, he was pronounced brain dead 4 days later. He was an Alaskan native and served his country in the Marines. He was the only son.

Thank you for taking the time to read my testimony.
