Resources, and Water

Measure, Appointment or Topic: HB2978

Dear Co-Chair Helm and Owens, Vice-Chair MacDonald and Members of the
Committee:

Thank you for your service to Oregonians and concern for land use. I strongly
support HB 2978 and urge you to move this bill forward.

I live in Central Oregon. I have hit and killed a deer and so has my husband. Both
cases, resulted in expensive auto repairs, lost time in having the cars repaired and
the death of 2 deer. I have also had a close call with deer on highway 20 between
Bend and Sisters.

Wildlife crossings are effective, and I would like Oregon to have more crossing
structures. More crossings will help both people and wildlife.

Please work to pass HB 2978.

Sincerely,

Sally Dixon
