

Submitter: Chelsea Stewart Fusek

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3173

Hello,

I am an Oregon resident who relies on OregonFlora regularly in both my personal and professional capacity. The importance of maintaining a high-quality database like OregonFlora, particularly in light of the extinction crisis, cannot be overstated. Please pass this bill to ensure OregonFlora can operate in perpetuity for the benefit of all Oregonians.

Thank you for considering this comment!
