Please Help Me !!!

3 years ago my Senior Mobile Home Park was purchased by a large corporation. I have lived here for 10 years. The loss of my husband of 60 years due to cancer left me a widow at the age of 79. This loss of half my income made it necessary to downsize my living space. My age, medical problems made it necessary to move into town to be closer to medical facilities, my church, shopping, etc. For 7 years prior to this sale, I did all of the above changes allowed me to enjoy a pleasant, secure life. But now with the very large raises in my rent and even higher rates in the future, I live in fear of being evicted for lack of \$ to pay my rent and Property Tax.

YEAR	RAISE OF INTEREST	MONTHLY DOLLAR COST
2022	14%	\$ 54.45
2023	14%	\$ 88.24
2024	10%	\$ 69.26
	<u>TOTAL</u>	\$ 211.95
	38%	

IF THIS BILL IS NOT PASSED
my future security of keeping my home is gone. Future eviction a certainty.
my health is suffering due to tension & fear.

IF THIS BILL IS PASSED
I will be able to SLEEP again.

Helen
