

Submitter: Mariah Currey

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3173

I support HB 3173. Oregon Flora is an invaluable and free to use botany resource for folks across all of Oregon. Citizens and industry workers alike benefit from the website and printed flora. I work in Urban Forestry and use these tools and am hoping to continue to have access to this excellent resource.
