

Submitter: Breck Foster

On Behalf Of:

Committee: House Committee On Climate, Energy, and  
Environment

Measure, Appointment or  
Topic: HB2961

I believe that it is our responsibility to do all we can to reduce greenhouse gas emissions for the sake of future generations, and this bill is a wonderful way to encourage that sort of stewardship economy. Let's make EVs more accessible to all to encourage more sustainable modes of transportation. Thank you for supporting HB 2961.
