Measure, Appointment or Topic: HB2979

Your system just erased everything I'd written!

I live in Cedar Hills in Representative Helm's district.

Please work hard to pass HB 2979 to enable my son and others on SNAP using EBT cards to get the besbest, freshest, often organic produce, which we believe we need for good health.

He and others on SNAP would be deprived of this wonderful health supporting and.best-tasting food without HB 2979, and our local, very small farmers would lose customers they need for their income z and to continue the essential work and service they do.

Really counting on you,
Respectfully,

John Herbert
