

Submitter: Angela Betts

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB2979

Community farms are the most important and reliable source of quality food and financial prosperity. Support here will save in needed money for health care, and financial support down the road. Ensuring we have the structure for self reliance also reduces the impact of supply chain costs and issues to keep our local economy and communities strong.
