Committee: Senate Committee On Health Care

Measure, Appointment or Topic: SB538

I'm writing to support SB 538. This bill is a budget-neutral and common sense, allowing all parents of disabled children to be paid for their caregiving work rather than requiring it be performed by individuals outside the family. As a family friend of a disabled child, I've seen first-hand how valuable parent caregivers are and believe strongly that parents deserve to be paid for this work. Thank you for your consideration.
