

## OREGON DEPARTMENT OF JUSTICE

TO: Senate Committee on Judiciary

FROM: Leslie Wu, Policy Advisor to Attorney General Rayfield, Oregon Department of Justice

DATE: 2/5/2025

SUBJECT: Testimony on Senate Bill 164

---

The Department of Justice has appreciated the opportunities to engage in the work of refining SB 164 into its current version. The Law Commission ran an extremely thorough process, and we are pleased to see that our feedback was incorporated into the current version of the bill. The bill clarifies multiple issues surrounding limited liability corporations (“LLCs”) in Oregon. We have identified that one change that was effectuated by HB 2377 (2021) was unintentionally missed in the cleanup of the LLC Act. We look forward to working with the proponents to address that technical change.
