

Submitter: David Wall
On Behalf Of: Mr Oregon SUPPORTS HB 2551
Committee: House Committee On Higher Education and Workforce
Development
Measure, Appointment or Topic: HB2551

I SUPPORT [HB 2551].

From the TEXT: "... (b) The governing board of a public university listed in ORS 352.002 that commissions special campus security officers under ORS 352.118 to provide security services on campus shall request and review background information, including information about disciplinary action, about the special campus security officer from the Department of Public Safety Standards and Training before commissioning the officer..."

I would also suggest the submission of a DNA sample be obtained.

The results of the DNA analysis should be added to the Nation's DNA database and checked to see if there is any flag for criminal activity before the hiring process is complete.
