

Submitter: Chia Hsin Tsai

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB3173

As a habitat steward and a nature educator in Portland, OregonFlora has been my primary resource for both accurate and thorough local botanical knowledge and valuable gardening information. It'd be our great loss if we lose this vital resource to help us to restore the land we live on. I urge your support to pass the HB3173 to ensure the resources of OregonFlora can continue to be up to date and maintained.
