

Submitter: Fran Recht

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB504

I think that the wording suggested by Surfrider regarding nature based solutions and adding additional protections for habitats and wildlife is essential. If we want to maintain the ecological integrity of the coast while controlling erosion, their suggested wording will get us to a better outcome. Please only consider this bill with those enhancements.

Thank you
