

Submitter: Oregon Nurse
On Behalf Of:
Committee: Senate Committee On Labor and Business
Measure, Appointment or Topic: SB916

RE: Support for SB 916

To the Senate Committee On Labor and Business,

These striking workers are fighting for patient safety in all of Oregon and are doing all health care workers a service and deserve continued protection and insurance while they fight for the greater good and protect all Oregonians!

Thank you for accepting my testimony and I look forward to your support.
Oregon Nurse
