Measure, Appointment or Topic: HB3196

I am a CASA in Jackson County and I urge you to support funding for the Program. We are helping to protect the most vulnerable of your constituents. I have seen infants and children removed from desperate situations and protected from further harm due to the tireless advocacy of CASA volunteers. We work to earn the children's trust and we stand in Court to explain their circumstances and push for their rights and best placement. Please vote to sustain funding for this vital program. Thank you.
