Committee: House Committee On Judiciary

Measure, Appointment or Topic: HB3196

Please add my name as a supporter of CASA HB 3196. I am CASA's Educational Surrogate in Benton County. I joined CASA to aid in protecting our youth in the foster care system.

Not only does education give you leg up, it is also likely that kids connected to the classroom are less likely to be out in the community offending. Please join me in voting YES for HB 3196
