Dear Co-Chair Helm, Co-Chair Owens, and Members of the House Committee on Agriculture, Land Use, Natural Resources, and Wildfire,

My name is Veronika Duchesne, and I am a community member from Oakridge-Westfir. I am writing to strongly support HB 2979, and urge continued investment in Oregon's farmers markets, which serve as critical infrastructure for local economies, small farms, and food access programs.

Farmers markets are experiencing extreme weather. Heat waves, wildfires, droughts, and storms disrupt operations and threaten vendors. We need this funding to respond to these challenges and ensure markets remain open, accessible, and sustainable.

The Farmers Market Climate Resilience Grant Fund and SNAP support grants have been lifelines, helping markets upgrade infrastructure, implement cooling and smoke mitigation strategies, and expand SNAP/Double Up Food Bucks programs. But demand far exceeds available funding—grant requests would have required more than double the resources OFMA has to distribute. Without renewed investment, farmers markets will struggle to continue serving their communities.

These programs impact me personally because: I am a single grandmother raising my grandchildren as my own. The farmers market helps me get fresh food for my kiddos. I use the double up bucks and my boy has even shown interest in eating better. For us the farmers market is the only place to get fresh vegetables without a long trip on the bus to the city.

OFMA and FMF can leverage state funds to match federal funding, strengthening our farmers markets and local food systems. We cannot afford to fall behind. Please support HB 2979 to keep our markets strong, our farmers supported, and our communities fed.

Thank you,
Veronika Duchesne
