

Submitter: Aaron Kuehn

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3231

Updating my prior testimony to include updated information that Washington HB 1837 is looking to "Establishing intercity passenger rail improvement priorities," between Seattle and Portland on the Cascade line, and it would be great if Oregon reciprocated with a plan and additional funding so that this increase in passenger rail service and frequency could extend to Salem and Eugene.
