Resources, and Water

Measure, Appointment or Topic: HB2978

Please support wildlife crossings for Hwy 20 between Suttle Lake and The town of Sisters. 100% of our trips on that stretch of road with see death, sometimes deer, coyotes, small mammals but their is always some animal that has been hit. It is true of almost every road leaving Bend. There has been a noticeable decrease in wildlife death on Hwy 97 south of Bend since the wildlife crossings have been put in place.
