On Behalf Of: Mr Oregon OPPOSES SB 118
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB118

I OPPOSE [SB 114].

"No" additional Tax exemptions for multi-unit rental housing either.

Taxes must be paid.

[SB 104], [SB 117] and [SB 114] if codified into Oregon Law are examples of "Systemic Racism."

Treating people differently under law also raises Constitutional issues.

Oregon has accumulated massive indebtedness yet, spending is unabated and tax-forgiveness is given to some but-not to me or my neighbors. Why should we pay taxes? Where's our "Tax exemptions?"

The Oregon Legislature is irresponsible and those that profit either monetarily or politically from [SB 104], [SB 117] and [SB 114] are_____ (Fill in the blank).

David S. Wall

Mr. Oregon Concurr and says, "Has the Oregon Legislature ever figured it out why many Oregon counties want to secede from Oregon and become part of Idaho? Personally, I would like to see Idaho commandeer the States of Washington, all of Oregon and California. "From the Snake River to the Sea" has a new and appropriate meaning. Yeehaw!"
