On Behalf Of: Mr Oregon OPPOSES SB 500
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB500

I OPPOSE [SB 500]

From the TEXT:

"...(c) "Eligible residential property" means one or more newly constructed single-family dwelling units located in this state that are sold for a qualified price.

(d) "Qualified price" means a price that is affordable to a household with an annual income at or below 120 percent of the area median income.

(e) "Qualified purchaser" means an individual whose household has an annual income at or below 120 percent of the area median income.

(f) "Qualified reseller" means a qualified purchaser who engages in a transaction to resell the eligible residential property owned by the qualified purchaser.

(8)(a) A nonresident shall be allowed the credit under this section in the proportion provided in

ORS 316.117. [https://oregon.public.law/statutes/ors_316.117 (web address not from TEXT)]

SECTION 4. (1) A qualified reseller may resell an eligible residential property only to a qualified purchaser..."

***You really have to read the complete TEXT to appreciate the level of skullduggery to bypass the Fair Housing Act, inculcate and codify Systemic Racism into Oregon Law, Discrimination per se and all the Constitutional issues concerning treating people differently under the law.

Is [SB 500] a possible Illegal Alien housing scam?

Mr. Oregon Concurs and says, "I.C.E. is a coming and there is nothing going to stop them. Could the Oregon National Guard be federalized-you bet, could Local Police Agencies be federalized?"
