

Submitter: Marina MacMichael  
On Behalf Of: HB3173  
Committee: House Committee On Agriculture, Land Use, Natural  
Resources, and Water  
Measure, Appointment or Topic: HB3173

I am supportive of continued funding for Oregon Flora — my yard in NE Portland has been recently certified by the Backyard Habitat program, and I rely upon the wisdom and advice of others in the volunteer program — many of whom utilize and refer to information gained from Oregon Flora. Every little bit we can do to support our environment in Oregon is necessary!
