

Submitter: Joey Danna

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I am in favor of this bill, this will only help manage the current mountain lion population in Oregon by allowing each county to have different regulations on hunting with hounds. Allowing hunters to use dogs in higher lion populated areas will support other wildlife populations like deer and elk. Letting hunters use hounds to hunt and Odfw using science backed data to manage quotas will only lead to healthier numbers for all wildlife in the state.
