

Submitter: Artie Maine

On Behalf Of:

Committee: House Committee On Housing and Homelessness

Measure, Appointment or Topic: HB2316

For 50 years, Oregon's urban growth boundaries have stifled home production and made housing more expensive for Oregonians. It's time to recognize the failure of this policy and eliminate DLCD and UGBs.

In the meantime, I support any legislation that will allow housing to be built, anywhere a landowner wishes to build it.
