

Submitter: Samuel Bither

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

I think that this bill should pass it would help bring cougar population in check and help the other wildlife like deer and elk. It would bring in more revenue for the state fish and game with permits. It would also help cattle ranches from losing cattle to attacks. I also think it should be up to the county not the state let the people have a little more voice.
