

Submitter: Dakota Emerson

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

As an avid outdoorsman I support this bill. Being an avid hunter and houndsman myself I have seen the cougar numbers increasing rapidly. Putting this bill into affect would help our deer populations thrive again. It would let houndsman pursue cougars in a way where they can judge them and hunt them ethically. I hope this bill gets passed.
