

Submitter: Nikkita Sheridan

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

The cougar population is out of control, these cats are now just killing and leaving their kills and not coming back for them, therfor they are killing for fun or as if it is a sport to these cats. It's only a matter of time these cougars with the cat population continuing to grow, are going to start attacking or killing children. This needs to be changed! BRING BACK HUNTING COUGARS WITH DOGS!
I SUPPORT SB769
