

Submitter: Sandra Miller
On Behalf Of:
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

Dear Senators:

I oppose this measure because it's inhumane to hunt cougars with dogs to the point of exhaustion and then kill them, no matter where in our state that happens. Oregon has banned this practice and there should be no exceptions. Like fox hunting, it's an outdated and barbaric practice. I respectfully ask you to let this bill die in committee.
