

Submitter: Andrew Rushton

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I am in support of counties being able to choose to use the hounds to chase/hunt cougars. The state can set a max number harvested and still allow cougars to be hunted to decrease the number of conflicts with people and farm animals. I am a physician with typically liberal leaning political views and yet I support this measure.
