

Submitter: Kelly Sixkiller

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I have lived in Oregon my entire life 44 years

I have hunted Oregon my entire life with my family

When I was just a little guy, we would never see Mt lions or very very seldom see Mt lions out while we were hunting ever since 1994. The lion population has grown exponentially and we see Mt lions now almost every time we go out hunting it's time to bring back the hounds to hunt the Mt lions again.
