

Submitter: Heather Perry

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

Side by sides are safer than cars. They have either 4 or 5 point harnesses(seat belts) they have headlights, tail lights break lights & can even have blinkers installed.

Stopping them from

Being legal to drive on roads needs to be overturned. This would really help communities with revenue. Enthusiasts would be able to give more of their money to community businesses.
