Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

I'm in support of HB 3155 because this will increase recreational opportunities for everyone in Oregon. HB 3155 will make recreation easier in the state as well. Instead of loading up ATV's on a trailer to a different location a short distance away, they can just be driven there. This will also increase revenue for DMV through increased registration fees.

Thank You
