

Submitter:

Chante Brown

On Behalf Of:

Committee:

Joint Committee On Transportation

Measure, Appointment or Topic:

HB3155

I am in support of this measure. Passing this measure helps create revenue in our communities. As long as they are legal and have everything they need completed it shouldn't be a problem. I have personally seen in work out right where I live. I have not seen any issues. It also helps the businesses, local residents, and tourists alike. Thank you.
