

Submitter: Roscoe Douberly III
On Behalf Of:
Committee: Senate Committee On Natural Resources and
Wildfire
Measure, Appointment or Topic: SB769

As an avid outdoorsman, voting tax payer, and 25 year Oregon resident, I have come to say:

I support this bill and strongly feel that it will have a positive impact on the cougar population, predation of livestock, and wildlife balance in general. I implore the lawmakers to hear the voices of those that spend time in the woods and to understand that the natural balance of predator/ prey is off and needs to be adjusted

Thank you
