Measure, Appointment or Topic: HB3155

Atv access has been the driving force behind several new businesses in town and the existing businesses have seen a measureable increase in tourists and tourist dollars supporting our local businesses, workforce and the families of Lakeside. The businesses of Lakeside are in full support of legal atv access to operate Class I, Class III and Class IV all-terrain vehicles on highways that are not interstate highways if the all-terrain vehicle meets vehicle equipment standards and the all-terrain vehicle is registered.
