

Submitter: Corey Shelton

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB2232

I'm in support of HB 2232. This will be the right direction to standardize the decibel levels for all atvs used on public land in Oregon. This also needs updated as it's been since 1991 and a brand new class IV machine can't even pass the decibel test.

Thank You  
Corey Shelton
