

Submitter: Brady McDonald

On Behalf Of:

Committee: Senate Committee On Natural Resources and  
Wildfire

Measure, Appointment or  
Topic: SB769

I support this bill and we need it to pass or in the near future we wont have anymore deer and elk populations in the state, also the amount of livestock getting killed each year is growing and growing. We need to bring their numbers down and this is the only way to effectively do it.
