Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

Please support this bill. We live in a rural area and having the ability to drive a properly equipped UTV would allow us another option to get around in poor weather when it can be very difficult to get out of our driveway. Our UTV is quieter than many of the regular vehicles in our area and has appropriate safety features allowing for safe transport. I see no reason to oppose this. Thank you.
