

Submitter: Dwight Montgomery  
On Behalf Of: Myself  
Committee: Joint Committee On Transportation  
Measure, Appointment or Topic: HB3155

I believe it would be great for the state to allow UTV's to travel legally on Oregon county and state roads to access local restaurants and stores plus OHV riding areas from private homes or land. The revenue will help local, struggling businesses in these areas around Oregon.

Please pass this Bill.

Thank you
