

Submitter: Margo Erickson

On Behalf Of:

Committee: Joint Committee On Transportation

Measure, Appointment or Topic: HB3155

As a resident of Cooc County. Oregon for 71 years and living almost entirely in the Hauser and Saunders Lake area of the county, I feel there is a real need for ATV to be able to use the roads and highways in the area to gain entrance to the Oregon Dunes National Recreation Area. I see no harm in allowing this. Thank You
Margo Erickson
