

Submitter: william whitney

On Behalf Of:

Committee: Senate Committee On Natural Resources and
Wildfire

Measure, Appointment or
Topic: SB769

The practice of using hounds and other canines to hunt native and indigenous cougars for sport and trophy-grabbing is not only against the majority of Oregon voters wishes, (and explicit results from ballots), it violates fair game and hunting practices. Please refrain from pushing through any measure that would further endanger our native cats.
