Measure, Appointment or Topic: HB3155

To whom a may concern,

I Marlon would like to support a person to operate Class I, Class III and Class IV all-terrain vehicles on highways that are not interstate highways if the all-terrain vehicle meets vehicle equipment standards and the all-terrain vehicle is registered. I believe these vehicles are worth the same amount as an actual vehicle, therefore I think it would be beneficial for ourselves and the state of Oregon to bring more income into dmv and other areas.
